Jean Gauchat Hargis, Trainer

"Our trainer, Jean Gauchat Hargis is here to offer assistance with any behavior problems you may have with your dog. All classes and private lessons are taught using positive reinforcement techniques, making it an enjoyable experience for both you and your pet. This method of training strengthens the relationship of dog and handler based on trust, not fear.

PUPPY STAR CLASS:

Puppies ages 8 to 24 weeks. We recommend once puppy vaccines are started, to enroll your puppy in a class with a safe learning environment. We offer a small class size limited to 6 puppies for special one on one learning. Learn how to PREVENT and deal with common puppy problems like house soiling, chewing, nipping, digging, jumping up, and barking. Socialize your puppy with others the same age and with new puppy owners. Teach your puppy to walk nicely on leash, puppy agility, grooming, recall, sit and down on request. This class also qualifies for the AKC Puppy Star program. Lessons are one hour per week for 7 weeks. Do NOT bring your puppy to the first lesson, this is an owner orientation. Proof of at least one DHPP, Bordetella and Rabies vaccinations given by a veterinarian are required. Pre registration is required as classes fill quickly. Class fee \$225.00 Sessions are located at 835 57th Street, Sacramento, CA 95819.
